

To Whom It May Concern:

I am applying for a career internship. Currently, I am a still off register at National Technical Institute of Deaf in Rochester Institute of Technology. One of the colleges is at Rochester Institute of Technology, in Rochester. New York, I am pursuing my associate in digital & Imaging Technology, with a focus on 3D Graphics Technology.

My college courses, along with my certificates from Ohlone College in Fremont, California. I have provided that the skills include filmmaker with spotlight, screen script, and green screen effects. 3D Modeling, Video Game Design and Development, Animation, Multimedia.

I am dependent on and create, and I work well remotely, independently, and as a team player. My skills are a good fit for your organization and industry. I look forward to gaining knowledge of the either both video game design/development and animation industry during this internship. My resume is included to provide further details.

I would appreciate the opportunity to meet with you and discuss the seasonal internship or career. If you would like more information, or wish to set up an interview, please contact me by at dennis.perri@aol.com and my portfolio is on website address is <http://www.invisiblescript.com>

Thank you for your time and consideration, and I look forward to your reply.

Sincerely,
